Committee Members,

At our last meeting, we set our normal schedule for the next meeting (3rd Wed of every other month), to be held on Wednesday, November 18th, 2015. I have a conflict between 1-3 pm, so I am changing to 10:30 am-noon. Let me know if that is a problem?

I saw one email that suggested I resigned as the committee chair, I didn't actually do that yet, but I let it be known that I can no longer keep a good balance between my job and effectively chairing the committee, so we need to figure out a path forward. I will stay involved, but cannot continue the duties as chair.

John Isom suggested we hold a chair election, we can discuss that at the meeting.

I wanted to get this out now to "save the date".

Mark
