Gillen house was constructed in 2015 within 150 feet of Catoctin Creek. It is log cabin (3,000 sq ft) built by [Ron Hawes](#) who lives on Catoctin Creek. The address is 14741 Creek Lane and PIN is 339-10-7688-000. Attached is a map showing house in moderate steep slopes. I am awaiting a reply from Loudoun County Building & Development regrading compliance with the Locational Clearance map that was approved.
