Bruce:

In preparation for the event, I plan to bring the following:

- ✓ Pop-up Tent with stakes or weights
- ✓ 6-ft Table and chair(s)
- ✓ Table cloth
- ✓ Blue table top display
- ✓ Map of nearby residents (blue tape or maybe mount on foam core – wind will be an issue)
- ✓ Standard trifold brochure (hope to print up 100 or so)

Still need to prepare:

- Photos (not sure what happened to the 2010 scenic river posters)
- Banner sign (not too big, maybe I can use County plotter for logo and name on paper for now)
- Business cards (I can print at home on card stock for a handful)

If you have other ideas, please let me know. We don't really have time or funds for marketing handouts (sticker, pens, tradeshow stuff). I could bring the floodplain model which I will be bringing to family stream day today at Claude Moore Park. (Photo is attached)

We have not been assigned a location. It is probably on the grass in the nature park, just off the parking lot south of the medical building/TacoBell. Plan to set-up starting at 11:00.

Amie:

Catoctin Creek Scenic River Advisory Committee would be pleased to participate in the second annual *Fall for the Trail and Paint Purcellville Green* at the Chapman DeMary Trail on Sunday, October 25 from noon to 3 p.m. We understand that all exhibitors must bring all items required for their display, including tables, chairs, and tents or canopy with weights. As a non-profit there is no fee.
