## General Plan prep meeting

**[loudouncoalition.org](http://loudouncoalition.org)**

Coalition Members: We agreed to have a special meeting for those members interested in discussing what role the Coalition should play in 2016 during the review and revision of the General Plan.

I have booked the Carruthers Room at the Purcellville Library for this meeting to be held on Friday, November 13 from 3:30 to 5 p.m. Please confirm if you can attend this meeting.

If you cannot make this meeting time and place, but do want to be considered part of the group preparing for the General Plan review let me know so you will be included in follow up emails and future meetings.

The Agenda, subject to contributions from all, might include the following questions:

1. What role should the Coalition Plan Committee play in the review? Should we be outsiders communicating our positions or insiders sitting at the table when issues are being negotiated?
2. How can we formalize a committee with sufficient expertise in the various fields of concern?
3. What needs to be done to prepare for the 2016 review?
4. How should we prepare our positions on issues?
5. What changes to the 2002 General Plan are needed?

Hope to see you at the meeting next Friday, November 13, 2015.

Al Van Huyck  
Chair
