I took the liberty to create a favicon.ico based on the logo (haven't made the actual purchase yet) . It's a 64x64 pixel graphic which displays in browser in upper left corner of the below partial screen shot.

Wow, that's very nice!

Any objections from the team for using this in our web site and other documents?

Sincerely,

David Nelson

What do you think of this DRAFT logo?

I created it using canned graphics from [LogoMix.com](http://LogoMix.com)

The cost is \$39.95
