

Loudoun Environmental Stewardship Alliance
and Loudoun Watershed Watch
present

The 11th Annual

Family Stream Day

"County Streams Connect and Sustain Us"

Locate your home on the watershed map
Explore a local urban stream
Learn about plants and animals in their habitat
Discover how to conserve water with Smart Landscaping
Learn about stormwater and erosion control
Find ways you can help your local streams and environment

Saturday, October 13, 2012
11:00 am to 3:00 pm
Chapman DeMary Trail in Purcellville, VA
(Located behind the Inova Urgent Care Building at 205 E. Hirst Road)

Activities include:
Kids Games to Play & Learn
Hands-on Stream Exploration
Stream Assessment & Monitoring
Water Quality Testing
Enviroscape Demonstration
Smart Landscaping Demos
Walks & Talks with Environmental Educators

Gain a better understanding of how, why and where Loudoun County streams and rivers flow. Learn about plants and animals that depend on healthy streams for food, shelter and sustenance. Special Geocache tokens and prizes for children who fill their event 'passport'.

It's free! It's FUN! It's **X-Stream-ly** Educational!
Awesome
