

**LOUDOUN COUNTY PRESERVATION AND CONSERVATION COALITION
POB 368, ROUND HILL, VA 20142**

To: Members of the Loudoun County Board of Supervisors
1 Harrison Street S.E. 5th Floor
Leesburg, VA 20177

The Loudoun County Preservation and Conservation Coalition supported the Board of Supervisors decision to make one of its first priorities the establishment of a new Limestone Overlay District.

The proposal which has been developed provides sorely needed regulation to protect the health and property of the residents encompassed within this proposed district.

Given the current daily risk of groundwater contamination in this area, the undersigned organizations urge the Board of Supervisors to move expeditiously to approve and implement the proposed Limestone Overlay District.

Sincerely

Alfred P. Van Huyck
